According to the passage, enabling older adults to access the digital world can help reduce the risks of depression and functional decline rather than recover from them.

43. 略

第二节（20 分）

参考范文：

Dear Jim,

How are you doing? It's been a while and we all miss you. I'm writing to invite you to join us in a special event.

You know, we'll graduate in June. It's a pity that you can't be present at the graduation ceremony. But we do hope you can attend in a different way. Would you like to record a short video to express your wishes? And it'll be great if you also share with us your life in Britain. I bet the video will be a hit and it's bound to bring back fond memories of our time together.

Sounds fun, right? Please email it to me before next Friday, and if you need assistance of any kind, I'd be more than happy to help.

Yours

Li Hua
