40. He defines judgment as the combination of personal qualities with relevant knowledge and experience to form opinions and take decisions.

41. Because some people may have expert knowledge, but they don't necessarily have judgment.

42. *Good judgement is important to success and a successful person definitely has good judgement.*  
(1 分)

According to the passage, success is not a signal that there has been good judgment.

43. 略

##### 三、One possible version:

*Dear Jim,*

How is everything going? A series of activities is going to be organized in our school next month in celebration of the 100th anniversary of the founding of the Communist Party of China. I know you must be interested in it, so I'm writing to invite you to come.

During the celebration, we will have a lot of activities. Firstly, an exhibition will be held in the school gallery to display 100 paper-cutting artworks that depict the history of Party's development over the past 100 years. And there will be a knowledge competition about the glorious history of the CPC, in which you can learn a lot.

I do hope you can come and join us. If you can come, please let me know.

*Yours,*

*Li Hua*
